Discussion:

➤ We explained our software idea to the below users and asked for their inputs and suggestions. Here we are listing down the features suggested by them
  ○ User 1: - Ram Khurana
    Ram Khurana is a photographer who is in search of a rental car whenever he is travelling
    ■ Find a car to rent for few days
    ■ Look up cars available in a specific city/location
    ■ Look up cars available on my prefered dates
    ■ Filter out certain car qualities as per my preference

  ○ User 2: -Diya Desai
    Diya is having a spare car at home and she wants to earn some profit using the car without selling it
    ■ Add a car to the website
    ■ Be able to edit the details of the cars I've added
    ■ Able change the availability dates of my car
    ■ Check the renter before allowing them to rent the car

  ○ User 3: - Varun Sharma
    Varun Sharma is who is interested in cars and wants to checkout different websites offering car services
    ■ To login/signup from any page of the website
    ■ Know how I can access different features of the website
